

## HOW TO REGISTER USING INFINITE CAMPUS

- 1.) Go to  
<https://mncloud2.infinitecampus.org/campus/portal/students/perham.jsp>
- 2.) Log in with your student Campus user name and password
- 3.) Click on More on the bottom left side
- 4.) Click on “Course Registration”
- 5.) Click on “20-21 Perham High School”
- 6.) Click on the “Add Course” button
- 7.) Type the Course Number (found on registration sheet) in the Search Courses box
- 8.) Click the blue Plus Sign next to Course in the list now showing
- 9.) Click on the “Request” button
- 10.) Enter a new course number in the Search Courses box and repeat step 9.
- 11.) Once you have all **18** of your requests in, repeat steps 7-10 to add your 6 Alternate choices. In step 10, you will choose the “Alternate” option instead of Request.  
Note: At any point, if you wish to remove a course, simply click on the course and choose Delete Request or if you wish to make this an Alternate choose “Convert to Alternate”.
- 12.) Once you have a total of 24 courses chosen, click Back to go to your list and double-check it.
- 13.) Submit your course registration sheet (with parent signature) to the google classroom assignment that corresponds with the grade you will be next year.
